Picnic Prick!

My boyfriend is handy with a camera and he loves taking photos of me so we often get in the car and drive somewhere to take photos. We have got eight big albums full of photos of me or of the two of us fucking. We were both quite horny and it was a sunny day, so we decided to go out and do some sexy snapping. We chucked a blanket in the back of the car, packed a picnic and drove off to find a nice spot.

We took a few pictures before turning off the main road and heading out into the sticks. We parked up in a dusty lay-by. I got into the back and took my skirt and knickers off. Lee opened the boot and started taking pictures of me. I spread my legs wide for him, letting him see my hairy cunt which was beginning to get wet. I rolled over onto my front and pulled my cheeks apart so he could see my gaping cunt and arse.

He was talking dirty to me the whole time, telling me what a horny dirty bitch I was and how I fucking wanted his cock. He was right about that, I was getting very turned-on and gagging for some dick. Soon I was completely naked and Lee kept slipping his finger inside my wet pussy between photos.

He got closer and closer to me with the camera until he just chucked it down on the seat and buried his head between my legs. I had been desperate for him to do this for ages and I pulled his head into my crotch as his tongue went to work on my cunt.

I moaned in ecstasy as he had me cumming in a matter of moments. There is something about posing for

the camera that gets me so hyped up and horny! After cumming, I wanted Norm's cock. I dragged him on top of me and between us we wrestled his trousers round his ankles. His hard cock found my wet hole and he eased himself up me. I grabbed hold of his buttocks and pulled him deep inside. He began to pump his arse and fuck my sloppy, cum filled cunt. Then he stopped and flipped me over onto my front. He scooped four fingers worth of juice out of my cunt and smeared it around my tight arsehole. I love a good arse fucking and Lee knows it. I felt his blunt cock straining against my backdoor. I pushed my hips back and felt him slide slowly up my arsehole.

I braced myself against the back of the front seat with one hand while he started pounding my arse. I managed to squeeze my other arm underneath myself so I could rub my clit off. I was soon cumming for a second time as I frigged my bud and Lee banged the arse off me.

After about ten minutes of hot anal hammering, Lee said he was going to cum. He pulled out and turned me over. Then he straddled me and, aiming his cock at my tits, he furiously finished himself off.

A thick globule of creamy cum leapt out of his jap's-eye and splashed down on my left nipple.

This was quickly followed by a succession of jizz bolts which landed all over my tits. When Lee had emptied his balls, I craned my neck down and slurped up a tasty tongue-full of cum from my

tits. Then I licked his cock and balls clean, savouring his semen.

Minge Drinking!

My boyfriend Norman is a right randy sod and I am a nymphomaniac so we are always at it. The last time we had sex was last night. We went out for a few drinks in our local pub and, as usually happens after a bit of alcohol, we both got very horny. When Norm was at the at my hairy bush. When he came back with the drinks he had a big bulge in his trousers. Sitting down next to me, he rested a hand on my knee. Slowly he inched his hand up my thigh and under my skirt. I shifted again in my seat so he could just about stroke my furry cunt lips with his fingertips. For the next five minutes or so he secretly stroked my cunt while we

drank our pints.

We love having sex in public places, it is a real turn-on. Our ultimate fantasy would be for a sexy girl to catch bar getting the next round of drinks I shifted in my seat and opened my legs so he could get a good view up my skirt.

I didn't have any knickers on so he got a tantalising look us and then join in. It hasn't happened yet, but fingers crossed! Anyway, I was getting really turned on having my pussy stroked in a busy pub. I desperately wanted to feel his fingers inside my wet snatch, so we decided to move.

We relocated to the snug, a secluded area just for two. This is our favourite place in the pub for getting horny, the scene of many a secret wank!

We sat down, partially hidden by the glass partition and the table, but still

ROXY

Roxy loves playing pool with her mates, but she'd much rather swap coloured resin balls and wooden cues for a rock hard cock and spunk filled gonads! "There's so much to like about playing pool when you're all horny and in need of a shag. There's a bar in the corner of the room, which is great for letting your hair down and losing your inhibitions. Then there's all of the seductive poses like bending over the table and revealing a bit too much arse when you want to make a long pot! And when the time is right the table is sturdy enough to lie back on, spread your legs, and invite someone to give you a good hard fucking while everyone else watches! Or even better, waits patiently for their turn!"

REAL WIFE SEX

LUCY'S FIRST TASTE OF TWAT TONGUING!

After a few too many drinks (or ten!) on a night out with my best friend, Natalia, last weekend, I found myself confessing to never having had a bloke go down on me.

Natalia said she found this unbelievable and was soon telling me how good her Mick is, and how she always teased him by saying he should charge for his services. I must admit I would have paid for the pleasure – he was good looking with a fair size cock, if Natalia was to be believed.

At the end of the night we walked back to her place and Mick offered to make coffee to sober us up. When he came back in Natalia blurted out: "Lucy's

never had a guy lick her out! Be a sport, Mick!" I nearly choked and immediately went bright red, but Mick just smiled knowingly at her and held out his hand to me – almost as though this wasn't the first time they had done this.

Next thing I knew, I was lying on a bed upstairs with Mick, minus my skirt and knickers, with him kissing my inner thigh. I was as nervous as a virgin as he slid further up the bed towards my moistening pussy. I couldn't believe what was happening to me!

My head was swimming as his tongue flicked my clit, it was the most amazing feeling! My gasps and moans encouraged him to carry on as he probed my wet hole with the tip of his tongue. I loved it and soon had my legs pulled up to my chest to allow his tongue deeper inside me. I couldn't believe I had never done this before. I groaned as his fingers spread my lips apart, and as he sucked my swollen nub I felt the most amazing sensations flood throughout my body. I knew I was on the verge of cumming and desperately tried to hold back to allow myself more of his gorgeous tonguing. I realised I could hear someone gasping and frantically begging for more and realised it was me! I knew it was no use trying to hold back and let myself just go with it; by the time I climaxed I must have used every swear word I knew, and was bucking up and down on the bed as Mick held my bum, keeping his tongue lodged right up my pussy. It was the most intense orgasm

I've ever had and as I lay back, sweating profusely, the shock waves flowing through my pussy made me shudder, once again.

It totally took it out of me, leaving me breathless and completely sapped of energy. When I did finally manage to move, I found Mick was watching me with a grin on his face, obviously pleased with his efforts. I pulled off my top and bra, revealing my large D-cup breasts to him, much to his delight, and he took my nipple in his mouth, making me gasp. Kneeling over him pulling out his cock – Natalia wasn't joking when she said Mick had a big one! – I wasted no time and sat astride him in a 69, giving him a close-up of my juicy fanny. Mick was teasing me, pulling my lips apart and commenting on what a gorgeous pussy I had and what he would like to do to me.

I begged him not to tease me like that, and to lick me again. His tongue slipped up inside me, driving me wild – especially when he kept pulling it out before slipping it back in slowly, or nibbling gently on my labia lips.

I was just trying to shove every inch of his cock down my throat when I heard Natalia's voice; she was sitting on the chair in the corner of the room, her fingers frigging her shaven haven. "I think it's my turn," she declared, slipping off her top and heading for Mick's face as I slithered off his body to allow her room. Natalia sat astride Mick's face, riding his tongue, her pert breasts quivering. She had either forgotten about me or didn't care as she ground her snatch into his mouth, demanding it harder and harder. I have never seen a couple having sex before and found it an incredible turn on. As I sat there watching and listening to them, I couldn't resist taking hold of Mick's rigid cock and giving it another suck. I was dying to feel it inside me, so, glancing in Natalia's direction for permission, I sat astride Mick and guided

his eager tool towards my aching, dripping hole. It felt so good, stretching my lips apart as I lowered myself down on top of it, desperate to get the whole length inside me. As he pushed his hips upwards and his long prick filled me up, I felt like I was being impaled.

Natalia watched me with a grin as I screwed myself for all I was worth, now not caring about anyone else; I was in a world of my own, bouncing up and down, my pendulous breasts swinging around.

Natalia's moaning and gasping was getting louder and I knew she must be close to cumming, especially as Mick's fingers were teasing her bum hole apart. I was right, and seconds later she groaned loudly as she came over Mick's face, which set Mick off. He grabbed my hips and began slamming his crotch against mine, his fat cock hitting my G-spot and making my knees go weak. He let out a yell as he came, filling my already wet pussy full of his spunk, which brought another huge orgasm from me.

We have another night out planned for the weekend after next and although I'm not expecting a repeat performance, I'll make sure I'm wearing my best underwear!

visible to other drinkers. We were sitting on a small bench for two, me against the wall and Norman next to me. I sat forward on the bench and hitched my skirt right up my thighs so it just about covered my minge but still allowed Norman to get to it. With his pint in his left hand, Norman slipped his right hand between my legs and pulled my sticky cunt lips apart. He slid two fingers inside my hole. They went in up to the knuckle with ease. I did my best to maintain a straight face and keep quiet as he furiously frigged me off. I was so turned on I couldn't stop myself from cumming. As he fingered me I felt my body shaking as my climax approached. I turned to face the wall and bit my lip as I came. When Norman pulled his fingers out a load of cum spilled out and when I looked down I saw a pool of my cunt juice on the floor. Norman offered me his sticky fingers and I licked them clean of my sweet juices. After I'd cum I wanted to make Norman cum. I whispered in his ear, asking him if he wanted a wank or a blow job. He whispered

back that he wanted to fuck me. He told me to look where he had gone and to follow him in a few minutes. I watched as he walked towards the entrance to the toilets. He went through the door and I watched him through the glass window as he went through a door at the end of the corridor marked 'Staff Only'. I waited a couple of minutes, my stomach churning and my sphincter tightening at the thought of what might happen. Then I waited till the coast was clear and got up from the bench. I went through the door to the toilets and with a furtive glance over my shoulder I quickly opened the 'staff only' door and went inside. I found myself in some kind of store room with industrial sized rolls of tissue paper stacked up around the place. Just as my eyes were getting accustomed to the gloomy light thrown off by the single blue strip light, Norman popped out from behind the door and grabbed me from the back. He had already taken his trousers off and I could feel his thick hard cock pressing

against my bum. He kissed my neck and reached round and rubbed my tits with his hands. I pushed my bum back against his cock and he responded by pulling my top up over my head. He unclasped my bra and released my large tits. I turned round and knelt down in front of him. Steadying his swaying boner with one hand, I closed my mouth around his swollen helmet and teased it with my tongue. I massaged his bollocks while I licked up and down the length of his pulsing shaft. Then I plunged my mouth over his cock, taking his entire length. I deep-throated him enthusiastically, to his unconcealed delight. Suddenly he pulled his cock out of my mouth and pulled me up onto my feet. He turned me round and bent me over a massive cardboard

box full of big rolls of cling film. He roughly yanked my skirt up over my arse and nudged my legs apart with his knee. With the minimum of ceremony he lined his cock up against my moist entrance and rammed it home. I winced as he drilled his big cock deep inside my slippery pussy and then moaned when he lazily eased it all the way back out. I yelped with pleasure when he rammed it right back up me again. He soon built up a fantastic rhythm, banging me with long, hard, fast strokes. I knew he wouldn't be able to fuck me like that for long without cumming. I arched my back and pushed my hips back against him in time with his thrusts, allowing him maximum penetration. I was close to another orgasm when Norman's strokes suddenly became even harder and more frantic. This was enough to trigger my second climax. As my cunt tightened and my juices started to flow, Norman buried his cock inside me to the hilt and flooded my cunt with hot creamy cum. He held himself inside me and just lay on me for a few moments while we both recovered. Then we sneaked back into the pub one by one. Back in the snug, I had Norman's cum oozing out of my cunt and trickling down my legs all night - lush!

Wow! The last time we had the pleasure of meeting up with Gina Varney she was parading around as a super-efficient, yet slutty, French maid! Fast forward to today and she's a messy hoarder. We do like the cute outfit though, so we'll forgive her. "I'm usually very tidy, but there is one room in the house where I keep all of my clutter." So, the bedroom is nice and clean then? Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: www.lovemilfs.uk

She may be just only nineteen-years-old, and looks all sweet and innocent, but don't be fooled by Escort debutant Brianna. "I still live at home with my Mum and Dad and in their deluded minds I've never even kissed a boy, let alone given them access to the inside my panties, not that I wear them that often. If only they knew what I get up to in the alley way behind our local boozier, I've probably fucked guys older than my Dad next to the bins. From the very first moment I took a cock inside me I was well and truly hooked!"

Amber last appeared in our Readers' Wives section of Escort as a dare. "I lost a bet with my mate and ended up in your magazine!" Amber confesses! "But who's laughing now? My mate is so jealous because I get loads of guys sending me dick pics, telling me what they'd like to do to me! I think my husband is coming around to the idea of letting one of your readers fuck me. A little bit more gentle persuasion and I think we'll be all good. I think he'd like to fuck my mate too so that might be the game changer if I get her involved too!"

Strip Pok-her!

We had no idea what kind of an evening lay ahead when Maria went and answered the door to Sandra and Tony. We spent dinner drinking and chatting with our old friends and soon broke out the cards. One of the girls suggested we played strip poker and five minutes later we had Maria out of her bra. Maria jiggled her beautiful rounded tits in my face and offered me one of her nipples. I took it into my mouth and soon had it standing erect against my tongue.

"What about me?" asked Tony, so she offered him the other and a moment later he was sucking for England.

Maria was clearly enjoying this as much as we were because the gusset of her thong was suddenly soaking. Sandra was the next to lose a hand and offered up her tits as her forfeit. "My turn lads," she said, lying back over the table. Me and Tony started licking her pointed nipples until Maria insisted we continued with the game. Next item of clothing to go was Tony's boxers. Both girls stared at his erect cock as it bobbed in front of them but it was Sandra who grabbed it first. She opened her lips, leaned forward and took his whole massive shaft into her wide, hot, wet mouth.

She stroked her rosy red lips along the length of his stiff dick and was soon joined but Maria.

Maria dropped to her knees and began playing with Tony's balls as Sandra sucked his rigid purple cock. After a while Maria took Tony's cock from Sandra's mouth and rubbed her lips all over his dribbling cock's head.

Sandra decided that the game was taking too long and declared we should just play girls against boys from now on.

The guys lost and soon the girls had two big hard pricks to play with.

Sandra saw mine and said she'd never played with a pierced cock before.

"Be my guest," back my foreskin and rubbed a finger over my eye until it was covered in my ooze.

She slowly leaned forward and carefully licked around my glistening cock head before sinking half my length into her warm, inviting mouth.

My girlfriend looked on as Sandra ran her lips up and down my

shaft and jiggled my balls.

The girls then slipped out of their thongs, and leaned back in the sofa and slowly started to finger-fuck themselves. They ordered that we kneel in front of them and placed their legs up on our shoulders as they Maria told her, so she pulled masturbated their sticky little slits. What a sight!

I couldn't resist any longer and pulled Maria's hand from her

sopping cunt and replaced it with my mouth.

I licked her dribbling juices as she smeared my face with cream and soon Sandra was moaning next to us.

I could've licked her cunt all night but Maria demanded something a little more substantial inside her.

I fed my prick into her and slowly started fucking her gloriously wet pussy as Tony and Sandra fucked along side us, grinning wildly.

I was just about to blow my load inside her when Sandra suggested we all swapped over and to my surprise Maria agreed.

My cock was soon inside Sandra's cunt and I was fucking her with long strokes when she stiffened up and came all over my balls. It felt wonderful, my nuts swamped in batter.

A moment later I heard Maria cry out, "Oh yeah, that's it, fill my cunt with cum," and this was enough to get me pumping inside Sandra.

I squirted my hot cream deep inside her pussy, then flopped back in the chair opposite when I was all done.

The four of us are already planning our next night of fun together, and I can't wait.
